RW-P SERIES | Road Weigher

RW-P

Convenient vehicle weighing pad...

This rugged cast aluminum weighing pad is light enough to be portable yet large enough for any type of vehicle. The bright orange industrial paint is baked on to the aluminum alloy chassis. CAS weighing pads not only look tough, they're built tough! With a variety of capacities & higher resolutions, the RW can be used in almost any application.

The RW can even accommodate for virtually any vehicle's axle arrangement with the simple use of "Dummy Plates" (Optional). These are simply solid rubber spacers of different sizes that can be placed between multiple pads.
